

Dear iSand,

Thank you so much for all that you do. Your organization is truly an amazing one. We hear about so many great things from Tina Capobianco regarding what you are doing for Autism and wanted to provide your organization with a few essential PPE supplies. Every little bit help's and we are trying to help as many organizations like yours as possible. On behalf of iSource Solutions Inc. we appreciate all that you do. If we can be of any assistance to your organization, please feel free to contact me directly. Stay safe!

Sincerely,
